

DOI Work Activity 0J: Process Coal and Acreage Leases

Program Area:	Resource Use - Energy
End Outcome Goal:	UEO 1 - ENERGY - Manage or Influence Resource Use to Enhance Public Benefit, Responsible Development, and Economic Value
Intermediate Outcome:	UIO 1.1 (Fossil Fuels) - Effectively Manage and Provide for Efficient Access and Development
DOI Sub process:	4a – Manage use of resources

Examples/Notes: This activity applies only to BLM

Work Activity Description: This activity covers all work associated with processing coal leases. Includes all actions taken to process new coal leases and fringe acreage leases, including NEPA, GIS support, Section 7 clearances and Section 106 compliance. This activity also includes all cost associated with processing and issuing exploration licenses.

Authorizations should be processed in conformance with existing manuals and handbooks for coal leasing. This includes a review of lessee qualifications and appropriate review of adequate bonding. The workload shall be documented in LR2000 and appropriate action codes shall be consistently entered at time of lease issuance or lease application denial

Output: Processed action.	<p>Unit of Measure: Number of actions processed.</p> <p>NEPA Records of Decision Signed, Lease sales completed, Leases Issued, & Exploration Licenses Processed.</p> <p>Completion of the Record of Decision (ROD) for the NEPA analysis for a coal lease application. State Offices will record information in accordance with LR2000 data standards as the NEPA-ROD for each coal lease application is completed. State Offices will report the number of coal lease NEPA-ROD's issued during the fiscal year by category (i.e., competitive, non-competitive, etc.)</p> <p>State Offices will enter lease information in accordance with data standards as coal lease sales are completed. State Offices will report on number of coal lease sales completed during the fiscal year. If there are no bids received that meet or exceed the appraised fair market value there is still a unit of accomplishment under this program element. If the applicant for rejected coal lease requests that the prospective coal lease be offered in another competitive coal lease sale, the new coal lease sale is a new (additional) unit of accomplishment under this program element.</p>
----------------------------------	--

Inputs: 5-year lease sale schedule, plan and permit applications	Cost Drivers: Tract demand, environmental and public considerations
---	--

System Interfaces: Data will be retrieved by the State Offices and, nationally, by the program office using casetypes, action codes & standard LR2000 reporting.

Case Types: 34XXXX

Action Codes: 005; 191; 237; 276.

EL Count of Action code entries for selected time period
